Note: To facilitate the customer switching process to a new supplier, additional information such as your account numbers, meter numbers (found on bill) and Dunn & Bradstreet number will be required at a later date. Our services are provided FREE-OF-CHARGE to you and we will be there to assist you during the life of your supply agreement. Our only requirement of you, is that you accept our brokered offer should it be lower than our mutually agreed upon price-to-beat.
